Sir:

PETITION FOR SUSPENSION OF ACTION

Pursuant to 37 C.F.R. § 1.103(a), Applicants hereby respectfully petition for the suspension of action by the Office in the above-identified application for six months.

This request is made for the causes set forth below, which constitute good and sufficient reasons for the action sought.

The pending claims of the above-identified application and its parent application, U.S. Patent Application No. 09/884,526 are related. Both applications are examined by Examiner Chen. However, substantive examination has not yet begun in the present application, whereas the parent Application No. 09/884,526 is near allowance.

In view of the foregoing, Applicant respectfully requests suspension of action in examination of this application for six months.

According to the fee schedule set forth in 37 C.F.R. § 1.17(h), please charge the required fee of \$130.00 for consideration of this Petition to deposit account No. 06-0916.

Please grant any extensions of time required to enter this response and charge any additional required fees to Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
